CUTICURA

THE GREAT SKIN CURE,
The most Healing, Soothing, and Refreshing External Application in the World.

It rapidly heals Ulcers, Old Sores, and Discharging Wounds; Itching Piles and other itching affections that have been the torture of a lifetime, thus affording unspeakable gratification to thousands; Burns, Scalds, Wounds and Pests of all Itching and Scaly Eruptions of the Skin, and all Affections of the Scalp, including Loss of Hair. Nothing like it has ever been known to the most intelligent physicians. It has swept a host of poisonous remedies out of existence. It is revolutionary in its composition and mode of treatment, and succeeds in curing every external affection. At every stage it is ably assisted by Cuticura Soap, which is a part of itself medicinally and at the same time the most delightfully fragrant and refreshing Toilet, Bath, and Nursery Soap in existence.

Cuticura Resolvent, a powerful purifying agent and liver stimulant, should be taken to neutralize and resolve away blood poisons, caused by the virus of scrofula, cancer, canker, malarial or contagious diseases, which inflame and fester the seeds of the skin and scalp.

SALT RHEUM.
Life a burden from the sufferings caused by this terrible disease.

Messrs. Weeks & Potter: Gentlemen,—Please accept my most grateful thanks for the great, very great, comfort I have received from the use of your Cuticura.

For the last eight or nine years I have been troubled with that dreadful disease, Salt Rheum. For months I would be helpless,—my very life a burden to me.

I have used everything in the shape of medicine, both external and internal, but with no effect.

My hands were in a terrible condition, the backs of them being all raw, and I thought I would try Cuticura.

I tried it, and in six weeks it's a miracle had been performed, for I will take my oath that in three applications my hands were as smooth as if new-born babes.

I speak here from the heart. If hundreds, if not thousands, who know of my sufferings, whom I have met in some one similarly afflicted, and if so I would cheerfully advise him to give Cuticura a trial.
Yours very thankfully,

TETTER OR SALT RHEUM,
on the Hands, Cured. A grateful letter.

Messrs. Weeks & Potter: Gentlemen,—Having been troubled for many years with the Tetter or Salt Rheum, and spent money in a hard-earned dollar, I was given a trial of your Cuticura, and, thank God, my hands are well. I never had anything do me good like this.

You may put this in the paper and welcome, and may it do some other poor sufferer the same good it has done me. I am well known here, having lived here almost fifteen years and kept boarders for a living, and sometimes my heart was sore, thinking I would have to give up altogether with my sore hands, and leaving a small family to take care of; but oh! thank God, my hands are well, and I again return thanks.
Yours respectfully,
ELIZABETH BUCKLEY.

In a late report on sheep husbandry in Massachusetts, Mr. Grinnell gives the following as the expenses and returns from a flock of fifty good graded ewe sheep: EXPENSES—Cost of sheep, at $4 per head, $200; one good ram, $25; pasturing, salting, washing, shearing, &c., $1 per head, $50; winter feed, including hay and roots, $2 50 each, $125; winter feed for lambs dropped in January or February, $2 each, $100. Total expense, $500. RETURNS—Fifty good ewes will have sixty lambs, of which forty will fetch $6 per head, or $240; twenty lambs later and smaller, at $4 each, $80; 200 pounds of wool at thirty cents per pound, $60; five cords of manure worth $5 per cord, $25, or a total of $405. Dr. Stone, and the poem by Dr. Edward M. Field of our city. The occasion bids fair to be a brilliant one as there will be a large resident attendance, besides many distinguished guests from abroad. Chief Justice Appleton will preside.

THE LATEST PROPHECY. Vennor, the weather prophet, now predicts a period of mildness, even warmth, with rain and slush up to about the 15th or 16 of February. The 10th will give us the heavy snowfall of the month, with drifts again and another railroad blockade. Between the 20th and 25th the second cold term will probably set in, and this bids fair to be very severe and occasion some very low thermometer readings.

A VICIOUS TRAMP. A few evenings since a tramp called at the residence of one of our citizens and asked for some food, saying that he was very hungry. The gentleman of the house who went to the door carried the fellow something to eat, but he seemed dissatisfied and after having a few words with the gentleman, the tramp kicked him, made a grab for his watch and then decamped. The gentleman was taken wholly by surprise so that the tramp escaped, but he failed to secure the watch.

RELIEF FOR IRELAND. This evening at half-past seven o'clock there will be a meeting of the citizens of Bangor in City Hall to devise some means for raising funds for the relief of the suffering occasioned in Ireland by reason of the terrible famine in that country. His Honor Mayor Brown will preside and brief remarks will be offered by some of our prominent citizens. There will undoubtedly be a large gathering, and we believe that Bangor will cheerfully respond to this call for aid as she has ever done in the past.

LEGISLATIVE COMMITTEE. The following members of the Legislature, forming a joint committee of the Agricultural and Educational Committees, arrived at the Bangor House last night: J. W. Dearborn, C. P. Emery, J. R. Eaton, R. Davis, J. W. Rogers, L. D. Stanley, D. S. Springer, C. Gilmore, G. A. Hill, A. R. Crane, L. T. Staples, Nelson Thompson, A. F. Haynes, S. A. [illegible], David Doran, M. L. Abbott, G. H. Wilson, C. C. Springer and J. M. Howard. These gentlemen will go up to Orono this morning, visit the State College and return this evening. A portion of them will take the evening train back to Augusta and the remainder will visit the Normal School at Castine.

THE WEDDING. Last Monday evening about sixty of the friends and neighbors of Mr. and Mrs. F. M. Rogers met at their residence in Holden to celebrate the tenth anniversary of their marriage. The tinware they brought was not brighter than the faces they wore, and after being treated by their genial hostess to a fine collation served on tin plates, with coffee in mugs of the same shining metal, they whiled away the time with merriment, music and noise until the "wee sma' hours," and left for home leaving behind them not only tin dishes but also good wishes for the happy couple.

BANGOR & PISCATAQUIS RAILROAD. The committee from the City Government to whom was referred the matter of consolidating the Bangor & Piscataquis Railroad with the Lake Megantic, met yesterday afternoon and prepared a report which was submitted at a meeting of the City Government, held last evening. After a brief discussion it was voted to refer the report back to the committee for further consideration. The committee will meet with the Directors of the road and the gentlemen from abroad this morning at eleven o'clock in the Aldermen's room, and after further consultation will again report at a meeting to be held this afternoon at three o'clock.

AN INQUEST DEEMED UNNECESSARY. The sad death of the young woman, Lizzie Newman, from the effects of liquor and exposure to the cold, the full particulars of which appeared in Wednesday's WHIG, was the chief topic of conversation on the street yesterday morning and the station house was visited by a large number of people. Coroner Wilson notified County Attorney Mace, but as he was busy at the Court he referred him to ex-County Attorney Hutchings, who investigated the matter and with Coroner Wilson decided that an inquest was unnecessary. The services of an undertaker were secured and the remains of the unfortunate woman were taken away by the relatives. None of the parties concerned in this matter belong in Bangor.

GRAND TRUNK. The Chicago Tribune says: The Grand Trunk railway from this city will be virtually opened for freight business on Saturday, when the first freight train will leave this city with a large consignment of grain for Liverpool, which was contracted for yesterday. This freight goes by way of Portland. The principal object in sending the freight is to have the people in England note that the Grand Trunk is now ready to ship freight there over its own line all the way from Chicago to Portland. An arrangement has been made between the Grand Trunk and the ocean line from Portland by which both will act in concert as regards freight rates, and joint bills of lading will be issued in this city.

A LITTLE CHILD BURNED TO DEATH. A terrible accident occurred in Knightville recently, which resulted fatally Monday night. Mr. Charles Orr, who lives on C. street, had two boys, twins, three years of age. Sunday morning one of the little fellows got out of bed before the rest of the family were up, and toddling around the rooms found some matches, one of which he lighted and in some way set his nightdress, which was the only thing he had on, on fire. In an instant he was enveloped in flames. His cries awoke his parents, who rushed to his rescue, but before the fire could be extinguished, the child was fearfully burned. A doctor was at once summoned, but could do little for him. The child died the next morning.

THE CENSUS SWINDLING DODGE. An ingenious method of swindling unsuspicious farmers on pretense of collecting statistics for the census, is thus described: A gentlemanly-looking fellow drives up with blanks for statistics of the farm—bushels of wheat, number of cattle, acres under cultivation, etc. Between the table and the foot of the page, where the farmer signs his name attesting the statement, is a blank space, whose existence is accounted for as affording room for miscellaneous information. In a month or so the farmer receives notice from a neighboring bank that his note for $150 is due. He knows nothing of the note, but investigation shows that the "census taker" has filled in the blank with a promise to pay, which, being in the hands of an innocent holder, must be paid by the unlucky dupe.

A FINE PORTRAIT. The Augusta Journal says: Among the several portraits that E. W. Moore, the crayon artist, has on exhibition at his studio, is a life-sized head of Mr. Blaine. It is one of the finest likenesses of that gentleman we have ever seen, and is probably the young artist's masterpiece. The portrait was ordered for Mr. Charles Shaw of Dexter. Mr. Moore is doing unusually good work in crayon drawing. His sketches are well conceived and powerfully drawn. He has also a few studies in oil and water colors, although as yet he is a mere tyro in that branch of the art. One of the most charming of his conceptions is a sweet, chubby baby face in the foreground, while in lighter strokes behind is a grand head and face. It is entitled "My Namesake," and will be readily recognized by all who are familiar with local characters. Mr. Moore has several orders for heads of Gov. Davis, Blaine and others.

EXHIBITION AND FAN DRILL. A large number of ladies and gentlemen assembled at City Hall last evening attracted by the pleasing entertainment under the management of the ladies of the Hammond street Society. The hall certainly presented a handsome appearance with its bright and tastefully arranged decorations, unique booths and the many valuable articles which formed the loan exhibition. As on the previous evening the fan drill was the principal feature and received a most enthusiastic encore. It would be hard to imagine a prettier sight than that formed by these young ladies, all in costume, many of them being elegantly dressed, as they went through the various graceful evolutions under the direction of Mr. Walter Morsion, keeping perfect time to the excellent music furnished by Miss Dressel on the piano. This drill is a novelty in Bangor and we hope it will be reproduced at no distant day. The entertainment proved a grand success in every sense of the word and great credit is due the ladies who arranged it.

SUPREME JUDICIAL COURT.

FEBRUARY (CRIMINAL) TERM.

Wednesday, Feb. 11.

State vs. Henry Canning. The respondent was indicted for aiding and assisting William Carpenter in breaking and entering a room at the Franklin House last October and stealing from a boarder in said house certain goods and money. Carpenter plead guilty when arraigned, and as a witness in the trial of Canning, swore that Canning had nothing to do with the crime. The police officers who made the arrest of Canning swore that he made certain statements which would tend to show guilt. Verdict guilty.

White for Respondent.

ON TRIAL.

State vs. George Hodgdon. This respondent is indicted jointly with one William Freeman for breaking and entering the barn of George H. Eldridge, in the town of Newburg, last August, in the night time, and stealing therefrom a horse and buggy. Freeman, on his arraignment, plead guilty.

A. Sanborn for Respondent.

GOVERNOR DAVIS.

HIS VISIT TO THE FOREST CITY.

Grand Reception by the Citizens at City Hall.

[From the Portland Press.]

The noon train from Augusta brought to this city Tuesday His Excellency Governor Davis, with Hons. Fred Robie, Gorham, Lewis Barker, Bangor, J. G. Pendleton, Searsport, Samuel N. Campbell, Cherryfield, J. F. Hinckley, Bluehill, William Wilson, Hallowell, and Roscoe L. Bowers, Saco, all of his Council, and Adjutant General Beal, Norway, Surgeon General Howe, Pittsfield, Judge Advocate Col. Bailey, Oldtown, Commissary General Benson, Portland, Colonels J. T. Richards, Gardiner, J. D. Maxfield, Dexter, H. B. Hill, Auburn, Col. F. E. Heath, Waterville, and Charles Cobb, Rockland, all of his staff. Inspector General Tilden, of Castine, arrived by the evening train. Besides the above named gentlemen there were Senator and Mrs. Hills of Hancock county, Mrs. Bowers, Mrs. Colonel Hill, Mr. Bodwell, of the Granite Works at Hallowell, A. A. Strout, Esq., of Portland and others.

At the station J. W. Robinson had six of his elegant carriages in attendance, and the party were here met by the committee from the Fraternity, consisting of Mayor Walker, Messrs. T. C. Hersey, Charles McLaughlin, and W. W. Thomas, Jr., and driven directly to the Falmouth Hotel. Mayor Walker occupied the carriage with the Governor, which was drawn by four superb black horses.

After dinner at the hotel, the carriages were again called and the Governor and Council, with President Little of the Trustees of the Reform School, visited the Maine General Hospital, where they were received by the Directors and expressed themselves very much pleased with the institution.

Subsequently the Governor and part of the Council visited the school for deaf mutes, which is under the management of Miss Barton, and expressed themselves very much pleased with the condition of the school and the method of instruction employed there.

At 7.45 P. M. the special reception committee, mentioned above, escorted the Governor, Staff and Council to the Mayor's office, where he was received by the committee of reception and other gentlemen, including Mayor Walker, Israel Washburn, W. W. Thomas, Jr., Charles McLaughlin, Nathan Webb, W. L. Putnam, Samuel E. Spring, Geo. S. Hunt, Samuel J. Anderson, Geo. W. True, Geo. P. Wescott, John B. Brown, S. C. Strout, J. H. Drummond, M. N. Jose, Chas. P. Mattocks, Dr. S. C. Gordon, A. A. Strout, Real Mazey, J. P. Baxter, J. S. Winslow, Ira P. Farrington, E. C. Jordan, P. C. Hersey, Stanley Pullen, the Aldermen and Councilmen—with very few exceptions—Jacob McLellan, C. E. Jose, E. S. Redlon, Spencer Rogers and others. At 8 o'clock the party ascended to the main hall. The floor was admirably managed by Mr. F. E. Farrington, assisted by Messrs. W. Senter, Jr., E. C. Jordan, J. H. Drummond, Jr., P. T., Griffin, W. H. Schumacher, and E. D. Noyes.

The hall had been elegantly draped with bunting and decorated with glories of flags, while a splendid bald-headed eagle, from the Natural History Society, was perched on the support at the centre of the rear gallery, and gazed proudly upon the brilliant scene below. The stair-ways and lobbies were also beautifully draped with flags, and a large squad of police, in full dress uniform, under Deputy Crowell, prevented any confusion.

As the distinguished party entered the hall Chandler's full brass band struck up the Portland First Regiment March. The galleries were filled with spectators and the settees around the apartment were filled with ladies in rich toilets. The Governor took his stand in front of the stage, and for some time a long file of ladies and gentlemen was continually arriving and departing as they were introduced to His Excellency. We noticed the officers of the Fort were well represented. During the introduction the band played choice selections in their admirable style.

The assemblage then took their places for the opening dance and an order of fourteen waltzes and redowas was proceeded with until a late hour. Supper was laid in the Reception Hall and the company was waited upon by a large corps of pretty girls tastefully dressed. Soon after ten the Governor left, while the rest of the company kept up the merry dance till morn.

Humpty Dumpty.

Notice is given elsewhere that Nick Roberts' Humpty Dumpty Troupe will appear in this city next Tuesday evening. Tickets can be secured at Bugbee & Co's., Saturday morning for 35, 50 and 75 cents. The Quincy (Ill) Whig says: "Nick Roberts' Humpty Dumpty troupe appeared at the Opera House last night before a large audience, and gave a good performance. Three clowns kept the spectators convulsed with laughter while they were on the stage, and the characters in the pantomime were all well taken. Of the specialties, the Zouave drill, the contortion act, the horizontal bar performance, and the song and dance was all first rate. Added to these is to be mentioned the fact that the band accompanying the troupe is a very fine one, and then all may understand how good a combination generally Nick Roberts has. It is the best Humpty Dumpty party on the road this season."

A High Compliment.

The Pall Mall Gazette says: During the summer of 1879, a party of our citizens of London were on a visit to America. On their return from a visit to Niagara Falls to New York they had occasion to stop over at Albany, which is the capital of the great State of New York. During their sojourn there, it was found necessary for some of the party to have some dentistry done. A celebrated Albany Dentist, Dr. Edwin C. Baxter, was chosen for the work, which he did in the most skillful, substantial and satisfactory manner. His mode of treatment is very gentle, while his mechanical skill enables him to do his work quickly and to do it in the best possible manner. Dr. Baxter will compare very favorably with Dr. J. Fairbank, Dentist to Her Majesty the Queen, and the Royal Family, and Dr. Thomas W. Evans, of Paris, who was dentist to Napoleon 3d and the Imperial Family. Dr. Baxter graduated at the Pennsylvania College of Dental Surgery in 1864 with the highest honors, and now stands at the head of the profession, as one of the best dentists in the world. He has worked faithfully to gain this point, and deserves the highest possible credit for the wonderful perfection he has attained in the art of dentistry. He, like Dr. Fairbank, and Evans, is gaining a world wide reputation for the excellence of his work and the manner in which he does it. We heartily commend Dr. Edwin C. Baxter to all Englishmen visiting America who have occasion to call upon a dentist.

To which "Parse" of the New York Commercial Advertiser adds, "a higher or more deserved compliment than the above, could not be devised."

Dr. Baxter was formerly of Kenduskeag and is the son of Dr. H. C. Baxter of that place.

CATARRH, ITS ORIGIN AND CURE. Catarrh arises from disorganized condition of the stomach, vitiated secretions of the glandular system, and impurity of the blood. Catarrh is like other maladies, of an advancing nature. There is a stage from which no power on earth can rescue the victim, that is after the lungs become destroyed, or nearly so; hence the importance of seeking relief before it is too late. Dr. Briggs has been remarkably successful in curing catarrh, laryngitis, tracheitis, bronchitis, consumption, etc., and adapts the most approved treatment to the various cases presented. The Medicated Oxygen ized Vapor and apparatus for using, together with other remedies, necessary to effect a cure, are furnished, to the patients. Dr Briggs' Specifics.

"MY BACK ACHES SO,

and I feel miserably," said a hard-working man. The doctor questioned him and found that he had been habitually costive for years, that now his kidneys were disordered and his whole system deranged. Kidney-Wort was recommended and faithfully taken and in a short time every trouble was removed. The cleansing and tonic power of this medicine on the bowels and kidneys is wonderful. d&w1w feb7
